

**The ARZA Slate
represents the
leadership and the
future of the Reform
Movement as together
we work to strengthen
our movement in Israel
and re-imagine what
Zionism means in
today's world.**

We will succeed, together with our partnering organizations of the Reform and Reconstructionist movements:

Association of Reform Zionists of America
• International Federation of Reform and Progressive Religious Zionists (ARZENU) • Union for Reform Judaism • Central Conference of American Rabbis • Reconstructionist Rabbinical College (RRC) • Hebrew Union College-Jewish Institute of Religion • American Conference of Cantors • Religious Action Center of Reform Judaism • Women of Reform Judaism • NFTY - The Reform Jewish Youth Movement • National Association for Temple Administration • National Association of Temple Educators • PARDeS • World Union for Progressive Judaism • Israel Movement for Reform and Progressive Judaism • Men of Reform Judaism • Program Directors of Reform Judaism • Reform Youth Professionals' Association • Early Childhood Educators of Reform Judaism • A Wider Bridge
