Personal statement

Aloha Mai Kakou,

My kuleana is to participate and contribute to the nation building process of the Kanaka Maoli and the restoration of the sovereign nation of Hawai'i. In the spirit of Onipa'a and in acknowledgement of our unlawfully deposed queen and sovereign, Lili'uokalani, I pledge my mind, body, and spirit to the restoration of the Hawaiian Nation as a pono nation among nations and a guiding light in sustainability and respect for our precious 'Aina.

My Kupuna signed the Kue petition, voted against Statehood, and have emphatically supported the restoration of Hawaiian Sovereignty since 1893. I wish to continue in that determination with the support of my fellow Kanaka. It is with great pride and excitement, that I might be a representative delegate and participant in our upcoming 'Aha and help create a positive and respectful environment in which to build consensus and move our nation forward.

I believe my experience, historical perspective, and aloha for our people and 'aina will contribute to the thoughtful deliberations required to succeed at this monumental task that lies before us. I humbly ask for your vote.

He mea pau 'ole ke aloha,

James Kimo Stowell

The delegate candidate represent these 10 people are eligible voters who have nominated them : KEA, SYBIL KEHAULANI

I formally protest the requirement
of 10 endorsements
from the Native Hawaiian
Roll Commission in order to be
a potential delegate to the 'Aha.
Not Pono, not Democratic and is an
insult to every willing participant.
Deliberately ostracizing portions of
the community is wrong.
