### **Personal statement**

I met Queen Liliuokalani's cousin on the Big Island of Hawaii in the late 90's, and she said the Lord God would except me in becoming someone in the Hawaiian Government. He wants us to honour him but the United States does not realize this. After all he paid for our sins on the cross. I just want to preserve our future which I believe the United States and their State for Hawaii has no right to control. The Lord God would give us the right to rule here not them that ripped our ancestors off. Sincerely Mark Castro
