Personal statement

I am passionate about our people, culture, history and our La'hui. I believe that our Aina and our keiki's future must be fiercely protected and defended against those who wish take those very things away. I believe that corruption and greed have poisoned every aspect of politics in Hawaii and I vow to defend our Lahui and our people from the seemingly unending attacks. I believe that we are who we were, that our kupuna left us a blueprint to follow, and that we are truly the people of Aloha. I believe in the words of my Queen, "I owed no allegiance to the Provisional Government so established, nor to any power or to any one save the will of my people and the welfare of my country", this is where my allegiance lies. She also said "I could not turn back the time for political change, but there is

still time to save our heritage. You must remember never to cease to act because you fear you may fail ", that is why I am running. I will be guided by her advise when she said "The way to lose any earthly kingdom is to be inflexible, intolerant and prejudicial. Another way is to be too flexible, tolerant of too many wrongs and without judgment at all". Mahalo for your vote. Onipa'a Hawaii
