Personal statement

During my time working with Alu Like, I got to travel up and down the Windward O`ahu coast from Waimanalo to Sunset Beach. My duty was to enroll the Hawaiians to show the U.S. government that this was how many Hawaiians we had living here. I had to go into all the back roads in the country, up and down Ko`olauloa and Ko`olaupoko. At the time, we learned that the most Hawaiians living outside of homestead areas was in Hauula. Living in He`eia all my life and watching the changes and the evictions of whole communities really made me want to fight for the rights of our people. I knew then it was not right, and we had

to fight for our rights. This `Aha will give me an opportunity to continue to really try and right the wrongs that were done to our people.
