Personal statement

I vote and I teach my kids to vote as I believe in "we the people" as a US citizen, we the people are the keepers of our nation and future. If we Hawaiians put our heads together we can find a path to be a nation within a nation. I would love the opportunity to become part of this historic event that will enable Hawns for our future and the future of our children and their children and our aina. We should establish a path for Hawaiian Self Determination as we struggle to live and thrive in HI. Proud to be a Hawn and have taught my kids the same as my father has taught me, as his ancestors to him
