Personal statement

This opportunity to serve and help our native Hawaiians by being part of this hui excites me. Hawaiians are part of the diversity that made America great. Our strength lies in what we bring to the table. I bring calm leadership, a knowledge on how to get the best out of people teams and organizations. I am also a student of history and I will try to build a documentary base that is free from the mistakes we made in the past. Aloha no au ia Hawaii nei imua makou ikaika makou Mahalo
