### **Personal statement**

Aloha Aina, I have chosen to follow our Queen's example of compliance under duress. I am compelled to participate in this 'Aha after being informed that my inherent and inalienable

Hawaii National Rights will be forfeit otherwise. First, if elected, I will advocate for the rejection of the DOI process dictated in the name of a small minority while excluding the majority of Hawaii Nationals. No Hawaii National should be coerced to agree to U.S. Federal Recognition by threat of exclusion or deprivation of rights. Second, I advocate that any U.S. Federal or State entity or affiliate connected to any process of nation-building be monitored and held accountable to insure the sovereign and independent integrity of any decision emerging from this process. Last, I plan to advocate for the jurisdiction of all Crown and Government lands, never ceded, be returned to the Hawaii National Body. Profits generated should be ethically appropriated to organizations engaging in the work of nation building by nurturing an informed citizenry and growing the critical mass needed to assert and maintain our sovereign rights. My name is Kamahana Kealoha and I humbly ask for your consideration, mahalo.
