Personal statement

As a kanaka maloko, my kuleana is to malama ka aina, protect the Dominion of the Realm of our Mahele Trust. No to nation building or self-anything. Yes to state building. This Con Con has to start with the correct factual history of our country Ko Hawai'i Nei Pae'Aina. Our Incorporated Archipelagic state has to have a legal basis for a pono and pa'a foundation. First by retaining all of our acquired rights. Starting from the 1839 Declaration of rights. The Hawaiian subjects acquired rights vest in the 1840 Constitution, which is the basis for the

Organization of the Judiciary Department, Statute Laws Sec III (1847). Reorganized by Liliuokalani in 1892 Chapter LVII Section V. Our Hawaiian Archipelago, and Palmyra Archipelago were never obtained by the US, there is no treaty of annexation. Hawai'i is a belligerently occupied neutral independent state. The goal is Normalization of state to state (country to country) diplomatic relations, and Resumption of the Treaty of Friendship, Commerce, and Navigation. of Perpetual Peace and Amity(1850).

The continuity of the Hawaiian Kingdom is ensured by protecting our subjects rights in the land, expressed in the LCAs and the Royal Patents.
