I stand deeply rooted in Hawaii like a Hala Tree. Hala is very distinctive and has thick aerial roots that spread out into the ground. My roots started on the Westside of Kauai. My foundation is my love for Hawaii, my love for family, culture, and my heart's desire to preserve, protect, and perpetuate our home. I firmly believe that if we all pick just one spot to take care of - one spot to protect - one spot to learn about - teach about - Hawaii would be an amazing, protected place to call home.
