

## **Kevin Lambright**

Hello, my Co-op City family. I am still Kevin Lambright; that same father of four amazing human beings (now adults). At 63 years of age, fatherhood has humbled me greatly reminding me that life is truly what you make it.

I am currently a New York State Supreme Court Appointed Guardian and Court Evaluator. I am also by trade a Co-operative Economic Funding Consultant.

Living in Co-op City for the past almost 30 years has been a wonderful experience. With all the challenges and political rhetoric at almost every turn, I have been able to raise my family in an environment unlike the one I grew up in. So, what some may complain about and criticize, I look at as opportunities to improve upon.

For many years, I fought to point out the imperfections of our community with solutions that had gone ignored in the past. Fortunately, I never gave up. I have had the opportunity to serve on the Riverbay Board of Directors. My Board success has ignited many changes and improvements in our community.

In my time on the Board, I have uncovered and helped remedy hundreds of thousands of dollars that was bleeding this community. I did it because not only do I love this community and despise those who try to cheat and bleed us, but because my investigative skills kicked in at crucial times.

I am aware that the Riverbay Board of Directors is not a career position but an opportunity to move our community in an upward mobile direction. I want to continue to do just that. I'm asking you to help me continue our progress.

Vote Kevin Lambright, along with Bishop Angelo Rosario, Grace Solomon, Keith Logan and Darnell Lopez. We are TEAM UNITY!!!
