

Keith Logan

My name is Keith Logan. For 18 years, I've had the privilege of living and working in this vibrant community. At 43, I'm blessed with an amazing wife and three incredible kids who are the center of my universe. But beyond my family, there's one thing that's just as important to me: ensuring this community remains not only affordable but sustainable for generations to come.

My journey here began in 2007 when I started working for Riverbay as a temporary painter. Who would have thought that those humble beginnings would lay the foundation for the career I'd build? By 2015, I'd progressed to managing painting and plastering roles within Co-op, and my passion for quality work only grew stronger.

But I didn't stop there.

In 2018, I took the leap and started my own painting company. It's been an incredible ride, and I'm proud to say we've become a top-rated residential and commercial company in New York, New Jersey, and Connecticut. My team's dedication to excellence and customer satisfaction has earned us a reputation for delivering top-notch results.

As a professional tradesman and entrepreneur, I've gained valuable expertise that I'm eager to share with this Board. If given the opportunity, I'd be honored to contribute my skills and experience to help shape the future of our community. I believe my unique blend of hands-on experience and business acumen would make me a valuable asset to this board.

I'm excited about the prospect of working together to build a brighter future for our community. I'm looking forward to your vote and to serving this community I love. Let's work together to create a sustainable, thriving neighborhood for all.

Please vote for me, Keith Logan, Kevin Lambright, Bishop Angelo Rosario, Grace Solomon and Darnell Lopez, Team Unity!!
